

\$AMAZONITE ICO: Powering Mythic Miners

\$AMAZONITE is the rarest token within the Mythic Miners play-to-earn game. This ecosystem offers tangible rewards through gameplay and trading. Here we present the proposal for the upcoming Initial Coin Offering (ICO) that empowers players with new earning potential.

Introducing Mythic Miners

Play 2 Earn

Players earn \$AMAZONITE tokens that hold real-world value while mining and battling in the game.

Immersive Gameplay

Explore dynamic mining mechanics combined with a marketplace for trading and upgrades.

True Ownership

Secondary economy lets players truly own and control their assets inside and outside the game.
